

## How to Create an Activity

1. Open Google Slides or Microsoft PowerPoint.
2. Create a title about your topic.
3. Choose the **standard “I can” statement** that relates to your topic and include it in your activity or in the description of your activity.

For example:

4.NBT.1: **I can** add and subtract whole numbers (4<sup>th</sup> Grade Standard, Numbers in Base Ten Skill).\*

4. Make sure you create **original materials** to teach, re-teach or enhance students’ learning experiences. Be sure to include instructions.
5. Make sure you double check your work and have your teacher double check your work to ensure it is correct.
6. Save the document.
7. Share!
